The Bengal kitten described above was sold as a Pet for the sum of \$_____ and was reserved with a deposit of \$_____, leaving a remaining balance of \$_____ due in cash at the time of kitten pick up or at 12-16 weeks of age if kitten is to be shipped. Shipping charges will be paid directly to courier and no later than 48 hours prior to leaving the Breeders home.

Buyer must quarantine kitten/cat with no exposure to another cat and to take kitten to a veterinarian within 72 hours of arrival. If kitten is found to have a life-threatening issue or to be medically deficient, breeder must be notified immediately. Breeder operates a disease-free home and cattery. This kitten is in good health, free of any major disease or any hereditary malformations or

other genetic defects to the best of the breeders knowledge at the time of sale. Breeder offers money back guarantee if the breeder is notified of a life-threatening issue within 72 hours accompanied by a written veterinarian statement describing any life-threatening issue.

This kitten has a lifetime guarantee against Pk-def(Erythrocyte Pyruvate Kinase Deficiency), Pra-b(Progressive Retinal Atrophy), HCM(Hypertrophic Cardiomyopathy) and FIP (Feline infectious Peritonitis) from date of purchase. If the kitten/cat dies within that time from any of the stated above, a necropsy must be performed and a written veterinarian statement stating cause of death. This must be submitted to breeder and a replacement kitten with an existing litter or upcoming litter from different parents will be given. No money refunds will be issued.

We do not guarantee against pyometra(nongenetic infection of the uterus) or feline herpesvirus. This kitten is in good health at the time of sale, and embodies the characteristics of the Bengal breed. This kitten is purebred and is registerable with a limited registration with TICA.

All of our Bengals are negative for Feline Panleukopenia, Feline Viral Rhinotracheitis, Feline Calicivirus, Feline Leukemia Virus(FelV), feline immunodeficiency virus(FIV). These kittens are raised as naturally as possible without chemicals, including natural deworming and fed a balanced raw food diet. Kittens are taken to the vet at 9 and 12 weeks old for their nosodes to raise immunity and will be given intranasal vaccine, only if determined necessary by the holistic vet. All vet records will be provided to buyer. Once kitten is at least 12 weeks of age, the breeder will spay or neuter kitten and will stay with the breeder 3-7 days after surgery. Ketamine is known to give Bengals adverse reactions, while undergoing any surgery, therefore Breeder agrees to use alternative anesthetics. Buyer agrees to never allow a vet to use Ketamine as an anesthetic. Buyer agrees to have the kitten seen by a vet within 72 hours of pickup. Buyer agrees to continue nosodes or intranasal vaccinations until the kitten has full immunity, along with regular fecal exams as recommended by a holistic vet. Buyer also agrees to utilize a holistic vet for the rabies and/or any other vaccines. Buyer agrees to only allow the rabies and/or intranasal vaccines to be given ONLY when the kitten/cat is fully healthy. Buyers agrees that this kitten should never receive

intramuscular vaccinations as the Bengal breed can have adverse reactions. The breeder has done everything possible to produce naturally reared, healthy sound kittens and to raise the kittens in the best way possible in regards to diet, exercise, socialization and veterinary care. There are many factors that can influence growth and development, such as diet, exercise, weight gain, etc. The buyer assumes the responsibility to carry on with the appropriate immunity protocol/vaccinations, vet exams, exercise and feeding schedule, as supplied by the breeder.

Under no circumstances will this kitten/cat ever be sold or given away to wholesaler/s, retailer/s, be donated for a raffle, abandoned or be placed in any shelter or refuge type facility. If purchaser becomes unable to keep this kitten/cat FOR ANY REASON buyer agrees to return said kitten/cat to breeder at buyer's expense to be placed in a selective home. There will be NO cash refunds upon return. Kitten/Cat may NOT be resold unless written permission is given. This kitten/cat shall NOT be allowed to roam outdoors freely at any time. No Bengals or Bougie Bengals may be sold, placed, leased, loaned, traded, co-owned or given away to another person unless written permission is received by the seller. Buyer agrees to provide immediate veterinary attention to the kitten/cat upon any signs of illness or distress. Breeder will not pay any veterinary bills unless agreed to in advance and in writing. If this cat/kitten is found to be neglected or mistreated the buyer will surrender this cat/kitten to seller unconditionally. No refund of purchase price will be given. Buyer agrees that if there should be legal action in regards to this cat/kitten, the buyer will be responsible for all legal fees, including seller's attorney cost, interest and cost of action. All legal action must be held in the seller's current city and state.

By giving us form of payment for purchase of cat/kitten(s) you have accepted terms of our contract. All kitten/cat sales through breeder are covered by the terms of contract regardless of signature/s. Agreement may be verbal, electronic or written as to include out of state buyers. It is the buyer's responsibility to review terms of this contract. Breeder has no immediate plans to discontinue breeding Bengals, but guarantees are only valid as long as kittens are still being produced. Buyer is responsible for checking local and state hybrid laws regarding the legality of the hybrid breed. Breeder is not responsible for any legal fees or fines acquired once a hybrid is purchased by

buyer. If this contract is breeched for any reason the buyer is required to return cat/kitten to breeder immediately at buyer's expense. Seller is also able to bring legal action against buyer if any part of this contract is breeched in the amount of \$1,000.00 per infraction. The seller neither makes nor implies any warranties or guarantees, express or implied, other than those written in the agreement including, without limitation, the warranties of merchantability and fitness. This document constitutes the entire agreement between the seller and buyer with respect to this sale. The buyers signature below indicates that he/she has read, agrees and does understands all the conditions of the Sales Agreement and Contract of Sale. This contract shall be deemed a legal binding document between the two parties (buyer and seller) regardless of signature once kitten is purchased and all rights and guarantees are not transferable. Buyer is also aware that all proceedings, including disputes, with seller are to remain between buyer and seller.
